# Homeland Security Program

Advance your career with the ECU Online Homeland Security program. Focus on the vital components of homeland security: disaster management; infrastructure protection and resilience; intelligence sharing and analysis; and security operations/management.

## Real degrees. Real opportunities.

- An accredited, brick-and-mortar institution with no campus visits required
- Earn the same degree as on-campus students from a national leader in homeland security and emergency management education
- Dedicated advisors who work with you from application through graduation and help you make the most of your transfer credit
- Boost your credentials by adding a certificate in disaster management, intelligence studies or security management
- Ranked among the best universities offering online degrees by *U.S. News & World Report* and *Military Times*
